

2023 Medicare Creditable Coverage

Annually, Truli for Health tests of our prescription drug benefit designs to satisfy the actuarial value test of the creditable coverage determination. Below is a listing of pharmacy plans that have been determined as **not creditable**:

- Truli Rx Basic (Generic) (\$5/\$15)
- Truli Rx Basic (Generic) (\$5/\$25)
- Truli Rx Basic (Generic) (\$5/\$30)
- Truli Rx Basic (Generic) (\$5/\$35)
- Truli Rx Basic (Generic) (\$5/DED+\$15)
- Truli Rx Basic (Generic) (\$0/DED)

If you have any circumstances that might require a custom test, you should contact your Truli for Health service department and provide the deductible, copayments and/or coinsurance amounts plus any plan maximums. We will review the plan benefits and return a decision.
