What you'll learn

By the end of the webinar, you'll understand:
- How to work with Truli (programs and processes)
- The Truli network and product design
- Truli for Me Rewards Program for members

Know before you go

Please take the computer-based training (CBT) before attending a webinar. It will give you a general overview of Truli. To access the CBT:
- Log in to Availity at availity.com
- Select Truli for Health under Payer Spaces
- Choose Applications
- Select Truli for Health Learning and Development
  You will find a link to access the training.

Share this information

It is important to share this information with your providers and staff because they need to know about Truli, too.

Truli resources

- Truli for Health Provider Manual: The provider manual is your resource for all things Truli, including billing information, utilization management and other programs and processes. You can find the manual on Availity at availity.com. To access the manual:
  - Log in to Availity and select Truli for Health under Payer Spaces
  - Choose Resources
  - Select Truli for Health Provider Manual
- News and Announcements: This web page lets health care providers and staff members find important information in one convenient place, including the latest What's New updates and archived Bulletins and FAQs. To find this information:
  - Go to truliforhealth.com
  - Select Providers (top of the page)
  - Choose What's New under News and Announcements

How we will keep you informed

You will receive important news through a regular News and Announcements email that will take you to the What’s New page on the Truli provider webpage at truliforhealth.com. You will find the latest information on doing business with us, including billing and claims, administrative updates, quality and compliance news, point-of-service information, policy updates, pharmacy program details, self-service tools and more. Please note: News and Announcements emails will come from Truli for Health, and the subject line will say, Important News from Truli for Health.
