

Truli for Health HEDIS Measures Tip Sheets

Truli for Health (Truli) will follow Healthcare Effectiveness Data and Information Set (HEDIS¹) measures. We have selected specific objective HEDIS measures from the measure set—including adult and pediatric measures—to assess the process and outcome of care. Providers can use these measures to evaluate and improve member care and service. [Click here](#) for the entire list of HEDIS measures applicable to Truli and other Florida Blue affiliates.
